

Legal Expenses Products

Product type

A commercial insurance product for legal expenses cover.

What demands and needs are met by this product?

This product is designed for policyholders who require legal expenses cover in the event legal proceedings are brought by or against the policyholder.

Who is this product designed for?

This product is suitable for commercial policyholders wishing to add coverage for legal representation and expenses in the event of a claim.

Who is this product not suitable for?

This product is not suitable for personal lines policyholders.

How do we expect this product to be distributed?

This product is suitable to be distributed through a variety of sales channels.

What are the distributor value considerations?

Distributors should consider the impact on product value of offering other products alongside this one, especially those with proportionally greater remuneration. For example, an ancillary product, elements of which may duplicate existing cover, premium finance charged at an elevated rate of APR. Our expectation is that additional commission, fees or charges added as part of distribution processes must be proportionate to the service provided, in line with those charged elsewhere, and not affect the overall value offered by the product.
