

Recruitment Products

Product Type

Commercial Insurance product suitable for a wide range of recruitment agencies.

What demands and needs are met by this product?

The product is packaged and designed specifically for businesses involved in the recruitment industry seeking protection for a range of risks, including public liability, employers' liability, negligence emanating from errors and omissions by placed personnel, cyber cover, office contents, and D&O.

Who is this product designed for?

This product is suitable for recruitment agencies, including nationwide chains or new independent agencies.

Who is this product not suitable for?

This product is not suitable for other types of agencies other than recruitment.

How do we expect this product to be distributed?

This product is suitable to be distributed through a variety of sales channels.

What are the distributor value considerations?

Distributors should consider the impact on product value of offering other products alongside this one, especially those with proportionally greater remuneration. For example, an ancillary product, elements of which may duplicate existing cover, premium finance charged at an elevated rate of APR. Our expectation is that additional commission, fees or charges added, as part of distribution processes must be proportionate to the service provided, in line with those charged elsewhere, and not affect the overall value offered by the product.
