WHY DO BUSINESS WITH PEN?

Pen Underwriting (Pen) is a multi-class, multi-territory Managing General Agent (MGA).

When we set up Pen in 2014, we brought together some of the UK's best known and most respected underwriting businesses, many with decades of underwriting expertise.

From a 'super start-up' of a dozen or so brands, to a single cohesive £650m GWP business, we're setting our sights on our next milestone – with a bold new vision to become a £1bn GWP underwriting & distribution business.

Over the last six years, the businesses have integrated to form one single operation that had broad distribution and acted like an insurer, responsible for everything apart from the capital at risk.

In 2021, with the majority of the integration work done, and with Pen operating as a single business, Pen is redefining itself – not as the business it thought it might become, but as something even better – the business the market needs it to be.

Our values – IDEAS, AGILITY, CONNECTING, FULFILMENT and SOLVING – are built on strong foundations.
