What are my obligations?

- At the beginning of the period of insurance or when making changes to your policy, you must give complete and accurate answers to any questions you are asked relating to the insurance.
- You must tell your broker of you becoming aware of any inaccuracies or changes in the information you have provided to us, whether happening before or during the period of insurance.
- The home becomes your occupied
- Your home is going to be used for short periods each week or as a holiday home;
- Work is to be done on your home which is not routine repair, maintenance or decoration, for example any structural alteration or extension to your home;
- You or any member of your family receives a conviction for any offence except for driving;
- You must take all reasonable steps to prevent loss, damage or an accident and keep the buildings in a good state of repair.
- You must tell us about any event which might lead to a claim as soon as possible
When we are notified of a change or of any planned structural work we will tell you if this affects your policy. For example we may amend the terms of your policy or require you to pay an additional premium. In certain circumstances we may cancel your policy in accordance with the "Cancelling This Insurance" section of the policy document.
- You must always make sure that your sums insured are adequate. If your sums insured are inadequate at the time of any loss or damage then we will proportionally reduce the amount of any claim payment made by the percentage of underpayment of premium, for example if the premium you have paid is equal to 75% of what your premium should have been on the correct sums insured then we will only pay up to 75% of any claim made by you.
- **Failure to meet your obligations could result in a claim being rejected, a reduction in the amount we pay or the cancellation of your policy.**
